Community Support. In the face of a global recession, Glendale residents and visitors are giving back to the community in record numbers. Thousands of donations came through the Glendale Visitor Center during Christmas in July, Friday Night Lights and Teddy Bear Day.

The holiday spirit truly began during Christmas In July when Glendale collected more than 2,100 meals for the food banks, which is a 10 percent increase over last year. The charity component for Friday Night Lights was a school supply drive, which was also a tremendous success. More than 12,000 items were donated, which quadrupled the donations from last year.

Finally, it recently rained teddy bears for Teddy Bear Day! A big part of Glendale's annual Teddy Bear day is the collection of teddy bears to benefit the Glendale Fire Trauma program, as well as other entities such as Southwest Ambulance and United Way. More than 400 bears were collected, doubling last year's total. For more information, call (623) 930-4500.
